

**Register of Pecuniary and
Other Specified Interests of
Members of Parliament:
Summary of annual returns as at
31 January 2023**

Fifty-third Parliament

*Presented to the House of Representatives
pursuant to clause 19 of Appendix B of the
Standing Orders of the House of
Representatives*

MISTER SPEAKER

I have the honour to provide to you, pursuant to clause 18(3) of Appendix B of the *Standing Orders of the House of Representatives*, a copy of the summary booklet containing a fair and accurate description of the information contained in all returns received during the period for transmitting annual returns for the Register of Pecuniary and Other Specified Interests of Members of Parliament as at 31 January 2023.

Sir Maarten Wevers KNZM

Registrar of Pecuniary and Other Specified Interests of Members of Parliament

Introduction

Since 2005, members of Parliament have been required to make an annual return of their pecuniary and other specified personal interests, as set out in clauses 5 to 8 of Appendix B of the *Standing Orders of the House of Representatives*. The interests that are required to be registered are listed below.

Items 1 to 10 provide a “snapshot” or stocktake of pecuniary and specified interests of members as at 31 January 2023. Items 11 to 14 identify the flow of a member’s interests for the period from that member’s previous return, or, in the case of new members, from the point that they were elected. This report summarises the information provided to the Registrar in members’ returns in respect of any of the categories below that may apply to a member:

- 1 Company directorships and controlling interests (clause 5(1)(a))
- 2 Interests (such as shares and bonds) in companies and business entities (clause 5(1)(b) and (2))
- 3 Employment (clause 5(1)(c))
- 4 Interests in trusts (clause 5(1)(d))
- 5 Organisations and trusts seeking Government funding (clause 5(1)(e) and (3))
- 6 Real property (clause 5(1)(f) and (g))
- 7 Retirement schemes (clause 5(1)(h))
- 8 Managed investment schemes (clause 5(1)(i))
- 9 Debts owed to a member (clauses 5(1)(j), (4), 6, and 7)
- 10 Debts owed by a member (clauses 5(1)(k), (4), 6, and 7)
- 11 Overseas travel (clause 8(1)(a) and (2))
- 12 Gifts (clause 8(1)(b) and (3))
- 13 Discharged debts (clause 8(1)(c) and (4))
- 14 Payments for activities (clause 8(1)(d) and (5)).

Registrar’s comments

This summary of members’ returns of their pecuniary and other specified interests, for the year ended 31 January 2023, is presented to the House of Representatives as required by Appendix B of Standing Orders. The tabling of these returns fulfils the Register’s purpose of providing transparency about members’ interests in order to strengthen public trust and confidence in parliamentary processes and decision-making. Constituents and a range of external parties are entitled to rely on the accuracy of these declared interests as members undertake their parliamentary duties.

This is the third and final summary of returns for members elected to the 53rd Parliament. I have continued to provide advice and guidance to members, as required, as they have prepared these returns to meet the requirements of the Standing Orders. There were no matters of particular concern raised by members during this year’s returns process, which

reflects, in my view, members' familiarity with the requirements of the Register and their understanding of their responsibilities in relationship to it.

My key role as Registrar is to compile and maintain the Register. It remains the responsibility of individual members to submit a return that meets the requirements of the Standing Orders. I welcome members' timely submission of returns this year, which reflects, I believe, ongoing support from members for the Register's purpose.

INTRODUCTION

1 Introduction

- (1) This Appendix establishes the Register of Pecuniary and Other Specified Interests of Members of Parliament.

 - (b) are specified in this Appendix, and
 - (c) are held by a member at the effective date of the return or have been received by a member in the period covered by the return, as appropriate.
- (3) The purpose of the register is to record members' interests, thereby providing transparency and strengthening public trust and confidence in parliamentary processes and decision making.
- (4) A person making a decision in the course of complying with this Appendix must be guided by the register's purpose.

PART 1

2 Definitions

- (1) For the purposes of the return and registration of pecuniary and other specified interests, unless the context otherwise requires,—

business entity—

 - (a) means any body or organisation, whether incorporated or unincorporated, that carries on any profession, trade, manufacture, or undertaking for pecuniary profit, and
 - (b) includes a business activity carried on by a sole proprietor, but

company means—

employed—

 - (a) means employed under a contract of service, but

- (b) does not include holding the position of a member of Parliament or any other position for which the person in question would not be qualified unless he or she had been elected a member of Parliament (for example, the position of Minister of the Crown, Parliamentary Under-Secretary, Leader of the Opposition, or Whip)

- (b) includes every person who has been authorised by the Registrar to act on their behalf under the Standing Orders

retirement scheme includes—

- (a) a retirement scheme within the meaning of section 6(1) of the Financial Markets Conduct Act 2013, and
- (b) any trust or other arrangement established in New Zealand or any other country with a purpose of providing retirement benefits to individuals; for example, a private superannuation scheme

return means a return of pecuniary and other specified interests required to be made under this Appendix

- (2) Every amount specified in this Appendix is inclusive of goods and services tax (if any).
- (3) Every reference in this Appendix to a person elected at an election includes a person elected as a consequence of a recount or an election petition relating to that election.

3 Duty to make initial return

- (1) Every member must make an initial return as at the day that is 90 days after the date that the member takes the oath or makes the affirmation required by section 11(1) of the Constitution Act 1986.
- (2) Subclause (1) does not apply if,—
 - (a) in the case of a member who is elected at an election, polling day for the election is after 1 July in the year of the election, or
 - (b) in the case of a member who is declared to be elected under section 137 of the Electoral Act 1993, the date that the member's election is notified in the *Gazette* is after 1 July in the year that the member is declared to be elected.
- (3) An initial return must be transmitted by the member to the Registrar within 30 days of the effective date of the return.

4 Duty to make annual return

- (1) Every member must make an annual return in each year as at 31 January.
- (2) The annual return must be transmitted by the member to the Registrar by the last day of February in each year in which an annual return must be made.

5 Contents of return relating to member's position as at effective date of return

- (1) Every return must contain the following information as at the effective date of the return:
 - (a) the name of each company of which the member is a director or holds or controls more than 5 percent of the voting rights and a description of the main business activities of each of those companies, and
 - (b) the name of every other company or business entity in which the member has a pecuniary interest, other than as an investor in a managed investment scheme, and a description of the main business activities of each of those companies or entities, and

- (c) if the member is employed, the name of each employer of the member and a description of the main business activities of each of those employers, and
- (d) the name of the trust, whether the member is a trustee, a beneficiary, or both, and the country in which the trust was settled (other than New Zealand), for each trust to which the following apply:
 - (i) the member knows or ought reasonably to know that the member is a beneficiary or a trustee, or both, of it, and
 - (ii) it is not a trust whose name is disclosed under subclause (1)(e), and
 - (iii) it is not a retirement scheme whose name is disclosed under subclause (1)(h), and
 - (iv) it is not a managed investment scheme whose name is disclosed under subclause (1)(i), and
- (e) if the member is a member of the governing body of an organisation or a trustee of a trust that receives, or has applied to receive, Government funding, the name of that organisation or trust and a description of the main activities of that organisation or trust, unless the organisation or trust is a Government department, a Crown entity, or a State enterprise, and
- (f) the location of real property in which the member has a legal interest, other than an interest as a trustee, and a description of the nature of the real property, and
- (g) the location of real property, and a description of the nature of the real property, held by a trust to which the following apply:
 - (i) the member is a beneficiary of it, and
 - (ii) the member knows or ought reasonably to know that the member is a beneficiary of it, and
 - (iii) it is not a unit trust whose name is disclosed under subclause (1)(d), and
 - (iv) it is not a retirement scheme whose membership is open to the public and whose name is disclosed under subclause (1)(h), and
- (h) the name of each retirement scheme and the manager of each retirement scheme in which the member has a pecuniary interest, and
- (i) the name of each managed investment scheme and the manager of each managed investment scheme in which the member has a pecuniary interest and which is not a retirement scheme whose name is disclosed under subclause (1)(h), and
- (j) the name of each debtor of the member who owes more than \$50,000 to the member and a description, but not the amount, of each of the debts that are owed to the member by those debtors, and

- (k) the name of each creditor of the member to whom the member owes more than \$50,000 and a description, but not the amount, of each of the debts that are owed by the member to those creditors.
- (2) For the purposes of subclause (1)(b), a member does not have a pecuniary interest in a company or business entity (entity A) merely because the member has a pecuniary interest in another company or business entity that has a pecuniary interest in entity A.
- (3) For the purposes of subclause (1)(e), a member who is patron or vice-patron of an organisation that receives, or has applied to receive, Government funding, and who is not also a member of its governing body, does not have to name the organisation, unless the member has been actively involved in seeking such funding during the period specified in clause 9.
- (4) For the purposes of subclause (1)(j) and (k), a member must also declare if the rate of interest payable in relation to any debt owed to a person other than a registered bank as defined in section 2(1) of the Reserve Bank of New Zealand Act 1989, or a building society as defined in section 2 of the Building Societies Act 1965, is less than the normal market interest rate that applied at the time the debt was incurred or, if the terms of the debt are amended, at the time of that amendment.

6 Interests involving family members

- (1) A member is not required to disclose any interest involving a family member unless, guided by the register's purpose (in clause 1(3)), they consider the interest should be disclosed.
- (2) To avoid doubt, a member is not required to disclose—
 - (a) the name of any debtor or creditor of the member, or any description of the debt owed by that debtor or to that creditor, if the debt is solely between the member and a family member and has been entered into in a purely personal capacity, or
 - (b) a relationship property settlement, whether the member is a debtor or creditor in respect of the settlement.

7 Short-term debts for supply of goods or services do not have to be disclosed

A member does not have to disclose the name of any debtor or creditor of the member and a description of the debt owed by that debtor or to that creditor if the debt is for the supply of goods or services and payment is required—

- (a) within 90 days after the supply of the goods or services, or
- (b) because the supply of the goods or services is continuous and periodic invoices are rendered for the goods or services, within 90 days after the date of an invoice rendered for those goods or services.

8 Contents of return relating to member's activities for period ending on effective date of return

- (1) Every return must contain the following information for the period specified in clause 9:
 - (a) for each country (other than New Zealand) that the member travelled to,—
 - (i) the name of the country, and
 - (ii) the purpose of travelling to the country, and
 - (iii) the name of each person who contributed (in whole or in part) to the costs of the travel to and from the country, and
 - (iv) the name of each person who contributed (in whole or in part) to the accommodation costs incurred by the member while in the country, and
 - (b) a description of each gift, and the name of its donor if the member knows the name or can reasonably ascertain it, that the member received in the period covered by the return and—
 - (i) that has an estimated market value in New Zealand of more than \$500, or
 - (ii) that has an estimated market value in New Zealand of \$500 or less, was given by a donor who gave the member more than one gift in the period, and contributed to a total value of gifts to the member from the donor in the period of more than \$500 not counting a gift declared under subparagraph (i), and
 - (c) a description of all debts of more than \$500 that were owing by the member that were discharged or paid (in whole or in part) by any other person and the names of each of those persons, and
 - (d) a description of each payment received, and not previously declared, by the member for activities in which the member was involved, including the source of each payment, except that a description is not required of any payment that is—
 - (i) paid as salary or allowances under the Members of Parliament (Remuneration and Services) Act 2013 or the Remuneration Authority Act 1977, or as a funding entitlement for parliamentary purposes under the Parliamentary Service Act 2000:
 - (ii) paid in respect of any activity in which the member concluded their involvement prior to becoming a member (that is, before the commencement of a period set out in clause 9(2)(b) or (d), as applicable).
- (2) The information referred to in subclause (1)(a) does not have to be included in the return if the travel costs or accommodation costs (as the case may be) were paid by the following or any combination of the following:
 - (a) the member:

- (b) a family member of the member, subject to clause 6(1):
 - (c) the Crown:
 - (d) any entity that paid the travel costs or accommodation costs because the member was participating in the official inter-parliamentary relations programme approved by the Speaker of the House.
- (3) For the purposes of subclause (1)(b), **gift**—
 - (a) includes hospitality and donations in cash or kind other than donations disclosed under Part 6A of the Electoral Act 1993:
 - (b) excludes a gift received from a family member, subject to clause 6(1).
- (4) For the purposes of subclause (1)(c), **debt** excludes a debt discharged by a family member of the member, subject to clause 6(1).
- (5) For the purposes of subclause (1)(d), a description of a payment is required if the terms of the payment have been agreed in the period specified in clause 9, even if the payment has not been received during that period.

9 Period covered by return

- (1) The period for which the information specified in clause 8 must be provided is the 12-month period ending on the effective date of the return.
- (2) However,—
 - (a) a member does not have to include any information specified in clause 8 that has been included in a previous return:
 - (b) if the member is elected at an election and the member was not also a member of Parliament immediately before that election and the return is the first return required to be made by the member after that election, the period for which the information specified in clause 8 must be provided is the period beginning on polling day for that election and ending on the effective date of that return:
 - (c) if an initial return is required to be made by a member elected at a general election who was also a member of Parliament immediately before that general election, the period for which the information specified in clause 8 must be provided is the period beginning on 1 February in the year in which the general election is held and ending on the effective date of that return:
 - (d) if the member is declared to be elected under section 137 of the Electoral Act 1993 and the return is the first return required to be made by the member after being elected, the period for which the information specified in clause 8 must be provided is the period beginning on the date that the

member's election is notified in the *Gazette* and ending on the effective date of that return:

- (e) if the previous return that the member had a duty to make was an initial return, the period for which the information specified in clause 8 must be provided is the period beginning on the day after the effective date of that initial return and ending on the effective date of the return that must be made.
- (3) For the purposes of subclause (2)(b) and (d), the first return required to be made by a member may be either an initial return or an annual return.

10 Actual value, amount, or extent not required

Nothing in this Appendix requires the disclosure of the actual value, amount, or extent of any asset, payment, interest, gift, contribution, or debt.

11 Form of returns

Returns must be either—

- (a) in a form specifically prescribed by the House, or
- (b) in a form approved by the Registrar.

PART 2

12 Register of Pecuniary and Other Specified Interests of Members of Parliament

- (1) A register called the Register of Pecuniary and Other Specified Interests of Members of Parliament is established.
- (2) The register comprises all returns transmitted by members under this Appendix.

13 Office of Registrar

The office of Registrar of Pecuniary and Other Specified Interests of Members of Parliament is held by the Deputy Clerk or a person appointed by the Clerk, with the agreement of the Speaker, to act as Registrar.

14 Functions of Registrar

The functions of the Registrar are to—

- (a) compile and maintain the register:
- (b) provide advice and guidance to members in connection with their obligations under this Appendix:
- (c) receive and determine requests for an inquiry under clause 16, and, if the Registrar thinks fit, conduct and report to the House on any such inquiry.

15 Auditor-General's review

- (1) The Registrar must supply to the Controller and Auditor-General a copy of every return within 21 days of the date by which all returns are due. The Registrar may, as the Registrar thinks fit, supply to the Auditor-General any other information relating to a return.
- (2) The Auditor-General will review the returns provided under subclause (1) as soon as is reasonably practicable, and will advise the Registrar of any matters arising from the review.

16 Registrar's inquiry

- (1) A member who has reasonable grounds to believe that another member has not complied with their obligations to make a return may request that the Registrar conduct an inquiry into the matter.
- (2) The request must be in writing, signed, and set out—
 - (a) the specific matter that the member believes to be a failure to comply, and
 - (b) the reasonable grounds for that belief.
- (3) A member who makes a request for an inquiry under this clause must, as soon as reasonably practicable, forward a copy of the request to the member who is the subject of the request.
- (4) On receiving a request, the Registrar conducts a preliminary review of the request to determine if, in the Registrar's opinion, an inquiry is warranted. In making a determination under this subclause, the Registrar takes account of the degree of importance of the matter under inquiry, and whether the matter—
 - (a) may involve a breach of the obligations to make a return:
 - (b) is technical or trivial.
- (5) On determining whether an inquiry is warranted, the Registrar must inform the member who made the request of this determination, and must also inform the member who was the subject of the request.
- (6) If the Registrar determines that an inquiry is warranted, the Registrar conducts an inquiry.
- (7) In conducting the inquiry, the Registrar—
 - (a) must invite the member who is the subject of the inquiry to provide a response to the matter under inquiry within 10 working days (provided that the Registrar and the member may agree on a different period of time for the member's response):
 - (b) may seek further information from the member who made the request for an inquiry, from the member who is the subject of

the inquiry, and from any other person that the Registrar considers may have relevant information:

- (c) may seek assistance or advice from the Auditor-General or from any other person, as the Registrar sees fit:
 - (d) may disclose any return or returns and information relevant to the inquiry to a person providing assistance or advice under paragraph (c).
- (8) The Registrar may,—
- (a) if the Registrar considers that the matter under inquiry does not involve a breach of the obligations to make a return, or is so minor as not to warrant the further attention of the House, determine that no further action is required:
 - (b) if the Registrar considers that the matter under inquiry involves an inadvertent or minor breach of the obligations to make a return, advise the member who is the subject of the inquiry to submit an amendment to the member's return or returns to remedy the breach:
